

Regulations on entering Thailand for Thai and non-Thai nationals from 10 January 2023 onwards

The poster features a blue and white color scheme with a decorative border at the bottom containing a blue suitcase, a compass, a map, a white airplane, and a blue suitcase. The text is presented in a clean, sans-serif font. The logo of the Department of Disease Control is in the top left corner. The title is in a large, bold, green font. The update date is in a smaller, black font. The main content is a numbered list of five points. A callout box with a blue background and white text provides contact information. The list of countries is in a blue font, with the date in a pink font.

 **Public Health Measures
for Foreign Travelers Entering Thailand**
(Updated on 10th January 2023)

1. Proof of vaccination is NO longer required.
2. Travelers from the listed countries requiring negative RT-PCR test results before departure from Thailand should have health insurance covering at least 10,000 USD for COVID-19 treatment that covers the duration of stay in Thailand plus 7 additional days.
 - Those with business arrangements, including flight crews and students, may have an official letter from the host or other form of insurance to cover such need.
 - The quarantine officer will randomly check the proof of insurance of travelers from the listed countries. If that traveler does not have proof of insurance, the traveler will have to purchase health insurance before immigration.
3. Holders of Thai passports and transit/transfer passengers are exempted from the health insurance checks.
4. The airlines must adhere to related regulation and comply with the guidance as appropriate such as asking passengers to wear mask at all times except during meals or emergency situations.
5. Any passenger having symptoms of COVID-19 on arrival shall be recommended to get a COVID-19 test at arrival.

If you have any questions, please contact the **DDC Hotline 1422** or visit <https://ddc.moph.go.th/index.php> for more information.
